

HEALTH GUARANTEE

Genetic Health guarantee: to 1 year old.

Every effort has been made to assure that said puppy you have selected is healthy on the date of pick up/delivery and said puppy has received proper vaccinations and dewormings.

The Buyer has been informed of these and future vaccinations and dewormings due and will agree to have them done on time.

Should said puppy develop any debilitating genetic/hereditary disorders that prohibit the animal from living a life as a pet, the Seller will replace said puppy, from the next available litter, with a puppy of equal value.

Said puppy must be returned to the Seller in good condition, other than the specified problem, at the Buyer's expense.

The Buyer/Owner will then qualify for a replacement puppy, under the following conditions:

The Buyer will provide the Seller and Seller's Veterinarian with the necessary test results, documentation and written Veterinary diagnosis, etc...

If said puppy dies due to a "genetic" condition, within one year from the purchase date, the Seller will replace said puppy under the following conditions:

A necropsy must be performed on the animal, by a licensed Veterinarian, and the report must be forwarded to the Seller and Seller's Veterinarian for review.

Seller's Veterinarian concurs from the necropsy report that cause of death was due to a genetic condition, the Seller will replace the animal.

Buyer is responsible for all transportation costs to and from the Seller for returned puppy and for replacement puppy.

Seller will not be responsible for any medical expenses incurred.

Buyer is aware that owning a puppy means trips to the veterinarian and understands that he/she will be responsible for all payments.

This guarantee applies to the original puppy only and is nontransferable to a second puppy.

The health guarantee does not cover the following: treatments for internal or external parasites, bacterial infections, cherry eye, loose hips/knees (unless severe affecting quality of life), skin allergies, small or collapsed nostrils, soft palette, small trachea, bad or uneven bites, demodex, mange mites, kennel cough, thyroid dysfunction.

We are selling only healthy puppies. Examined by our veterinarian. They make a general health-care examination on the puppies to ensure you receive a happy healthy puppy

Buyer's Responsibilities:

To keep this guarantee offered to you, you must have your puppy examined by a licensed Veterinarian within 14 days of receipt.
